
FACTS TUITION MANAGEMENT PLAN NEW ENROLLMENT

Families not choosing to pay tuition in full or semi-annually are required to sign up for FACTS Tuition Management. The FACTS system's secure server automatically withdraws tuition payments from parents' bank accounts every month.

FAMILIES NEW TO FACTS: see instructions for creating your account below. Please set up your account **as soon as possible**, so that the school can process your payment information. Your first FACTS withdrawal will be on either the **5th or 20th of July, 2018**. (You may choose one of these dates when completing the Agreement). FACTS withdrawals can be made from a checking or savings account. You may also choose payment by credit card for a small processing fee. Please be aware that there are sufficient funds in the account prior to your payment date, as FACTS charges an **insufficient funds fee**.

If 2 parents are responsible for payment, 2 separate accounts can be set up. The school will enter 50% of amount owed to each account.
